

PRIVACY POLICY

1. PREAMBLE

Below we inform you about the details of data protection when visiting our website.

The use of our website is generally possible without providing personal data.

Insofar as personal data is collected when you visit our website, we process it exclusively in accordance with the General Data Protection Regulation (GDPR), the German Federal Data Protection Act (BDSG) and the German Telecommunications Digital Services Data Protection Act (TDDDG).

The processing of personal data takes place exclusively in accordance with this privacy policy.

This privacy policy applies to the use of the website at <https://www.cctop.de/>. For linked content from other providers, the data protection declaration on the linked website is authoritative.

We would like to point out that security gaps can occur during data transmission via the Internet n, which cannot be prevented by the technical design of this website. Complete protection of personal data is not possible when using the Internet.

2. RESPONSIBLE BODY, ART. 13 PARA. 1 LIT. A GDPR

is responsible for the processing of personal data in the context of the use of this website:

stratEDI Gesellschaft für Kommunikationskonzepte und -lösungen mbH

Managing directors: Thorsten Georg and Marvin Karl

Lusebrink 9

59285 Gevelsberg

Phone (02332) 66600-0

E-mail: info@stratedi.de

3. DATA PROTECTION OFFICER

We have appointed a data protection officer:

Mr. Dipl.-Inform. Olaf Tenti

GDI Gesellschaft für Datenschutz und Informationssicherheit mbH

4. HOSTING

Our website is operated on servers of Verizon Deutschland GmbH, Sebrathweg 20, 44149 Dortmund (host).

We have concluded an order processing contract with Hoster.

When you visit our website, data is automatically collected and stored in log files on our host's server. This data may have a personal reference. The data collected includes

- IP address of the requesting computer
- optional user ID
- Date and time of access to our website
- Time zone of the requesting computer
- Transmitted input values (e.g. e-mail addresses)
- Name and URL of the requested page of our website
- URL from which the page was requested or the desired action was initiated
- Amount of data transferred
- Notification of successful retrieval
- the Internet service provider of the accessing system
- Screen setting or screen resolution used on the requesting computer
- Files that have been requested on our website
- Connections to a link outside our website (outlink)
- Access log
- Main language of the browser of the requesting computer
- Time required to display the requested content on the requesting computer (page generation time, transfer rate and page speed)
- Time required for the website to be generated by the server and downloaded by the user
- Position of the user (country, region, city, latitude and longitude (geolocation))
- Browser types and versions used
- the operating system of the requesting computer (referrer)
- Device type, brand and model of the requesting computer (desktop, mobile, TV, car, console, etc.)
- the last page you visited on our website
- other similar data and information that serve to avert danger in the event of attacks on our information technology systems

The hoster uses the collected data to ensure the trouble-free operation of the website as well as to ensure IT security and to improve our offer. If there are concrete indications, the log data may be subsequently analyzed. The temporary storage of the IP address by the hoster is necessary to enable the website to be delivered to the user's computer. For this purpose, your IP address must remain stored for the duration of the session.

This data is not merged with other data sources.

The legal basis for data collection is Art. 6 para. 1 sentence 1 lit. f GDPR. Our legitimate interest in data collection arises from the aforementioned purposes.

The data is deleted by the host as soon as it is no longer required to achieve the purpose for which it was collected. In the case of the collection of data for the provision of the website, this is the case when the respective session has ended.

If the data is stored in log files, this technical information is deleted or made unrecognizable after 90 days at the latest.

The collection of data for the provision of the website and the storage of data in log files is absolutely necessary for the operation of the website. Consequently, you do not have the option to object.

5. COOKIES

Cookies are used to provide our website. Cookies are text files that are stored on your end device (PC, laptop, tablet, smartphone, etc.). Furthermore, these cookies are used to make the use of our website more pleasant and convenient for you or for analytical purposes.

Most of the cookies we use are so-called "session cookies". They are used to make the services of our website technically available to you. After your visit, these cookies are automatically deleted by your browser.

Other cookies remain on your computer and enable us to recognize your end device on your next visit (so-called persistent or permanent cookies). These cookies are automatically deleted from your system after a preset period of time, which differs depending on the cookie.

The legal basis for this is Art. 6 para. 1 sentence 1 lit. f GDPR. Our legitimate interests arise from the aforementioned purposes.

You can set your browser so that you are informed about the setting of cookies and only allow cookies in individual cases, e.g. third-party cookies (cookies that are set by a third party, i.e. not by the actual website on which you are currently located), exclude the acceptance of cookies for certain cases or in general, and activate the automatic deletion of cookies when closing the browser. You can use your web browser to delete stored cookies at any time.

If cookies are deactivated, the functionality of this website may be restricted

Administration Cookies:

You can use the following links to find out about this option for the most commonly used browsers:

If you have not made or do not make any different settings, cookies that enable or ensure the necessary technical functions will remain on your end device until you close the browser; other cookies may remain on your end device for longer (maximum 6 months).

To safeguard your privacy, you should regularly check the cookies on your end device and your browser history and delete them yourself.

6. SSL OR TLS ENCRYPTION

This site uses SSL or TLS encryption for security reasons and to protect the transmission of confidential content, such as orders or inquiries that you send to us as the site operator. You can recognize an encrypted connection by the fact that the address line of the browser changes from "http://" to "https://" and by the lock symbol in your browser line.

If SSL or TLS encryption is activated, the data you transmit to us cannot be read by third parties (end-to-end encryption). The protocols authenticate the communication partner and ensure the integrity of the transmitted data.

7. STORAGE DURATION

Unless a more specific storage period has been specified in this privacy policy, your personal data will remain with us until the purpose for data processing no longer applies. If you assert a justified request for deletion or revoke your consent to data processing, your data will be deleted unless we have other legally permissible reasons for storing your personal data (e.g. retention periods under tax or commercial law); in the latter case, the deletion will take place after these reasons no longer apply.

8. CONTACT OPTIONS

You can contact us by e-mail on our website.

In this context, your details from the e-mail, including the contact details you provide there, will be stored and processed by us for the purpose of processing the request and in the event of follow-up questions. This data (company, first name, surname, telephone, e-mail, message text) will not be passed on to third parties without your consent.

The data is not merged with other data collected on this website.

This data is processed on the basis of Art. 6 para. 1 sentence 1 lit. b GDPR if your request is related to the performance of a contract or is necessary for the implementation of pre-contractual measures. In all other cases, the processing is based on our legitimate interest in the effective processing of the inquiries addressed to us (Art. 6 para. 1 sentence 1 lit. f GDPR).

We will retain the data you provide on the contact form and/or in the email until you request its deletion , object to its processing or the purpose for its storage no longer pertains (e.g. after fulfilling your request). Mandatory statutory provisions - in particular retention periods - remain unaffected.

9. REGISTRATION FUNCTION

You can register on our website and create a personal customer account.

As a commercial customer, you can use it to manage your invoices and order online. You can also view all your invoices and manage various business processes.

In this context, your personal data will be stored and processed for the purpose of registration or price inquiries. The data collected for this purpose (company, VAT ID, name, telephone, address, country, e-mail) are required to complete the registration.

The legal basis for data processing is Art. 6 para. 1 sentence 1 lit. b GDPR.

The provision of the telephone number serves our legitimate interest (Art. 6 para. 1 sentence 1 lit. f GDPR) to simplify communication in the event of any queries.

The provision of other data is voluntary.

We store your data processed for this purpose as part of the registration for the password-protected area until you cancel your access, provided that there are no other retention periods to the contrary.

You can close your online account at any time by sending us a short message by e-mail or post (see above for contact details)

10. YOUR RIGHTS AND ASSERTION OF RIGHTS

You are entitled to the rights listed below. You can assert these rights against us. To assert your rights, please use the above data or contact us by email at: info@stratedi.de

Information:

In accordance with Art. 15 GDPR, you have the right to request information about your personal data processed by us. In particular, you can request information about the processing purposes, the category of personal data, the categories of recipients to whom your data has been or will be disclosed, the planned storage period, the existence of a right to rectification, erasure, restriction of processing or objection, the existence of a right to lodge a complaint, the origin of your data if it was not collected by us, and the existence of automated decision-making including profiling and, if applicable, meaningful information about its details;

Correction:

In accordance with Art. 16 GDPR, you have the right to demand the immediate correction of incorrect or incomplete personal data stored by us;

Deletion:

In accordance with Art. 17 GDPR, you have the right to request the deletion of your personal data stored by us, unless the processing is necessary to exercise the right to freedom of expression and information, to fulfill a legal obligation, for reasons of public interest or to assert, exercise or defend legal claims;

Restriction of processing:

In accordance with Art. 18 GDPR, you have the right to demand the restriction of the processing of your personal data if the accuracy of the data is disputed by you, the processing is unlawful, but you refuse to delete it and we no longer need the data, but you need it to assert, exercise or defend legal claims or you have lodged an objection to the processing in accordance with Art. 21 GDPR;

Data portability:

In accordance with Art. 20 GDPR, you have the right to receive your personal data that you have provided to us in a structured, commonly used and machine-readable format or to request that it be transferred to another controller;

Withdrawal of your consent:

In accordance with Art. 7 (3) GDPR, you have the right to withdraw your consent at any time. As a result, we may no longer continue the data processing based on this consent in the future. The withdrawal of consent does not affect the lawfulness of processing based on consent before its withdrawal.

Please send your revocation to the data given above or by e-mail to the office mentioned under point 2.

Right of objection

You have the right to object, on grounds relating to your particular situation, at any time to processing of personal data concerning you which is based on point (e) or (f) of Article 6(1) GDPR, including profiling based on those provisions.

The controller will no longer process the personal data concerning you unless the controller demonstrates compelling legitimate grounds for the processing which override your interests, rights and freedoms or for the establishment, exercise or defense of legal claims.

Notwithstanding Directive 2002/58/EC, you have the option of exercising your right to object in connection with the use of information society services by means of automated procedures using technical specifications.

Automated decision in individual cases including profiling

You have the right not to be subject to a decision based solely on automated processing, including profiling, which produces legal effects concerning you or similarly significantly affects you. This does not apply if the decision is necessary for entering into, or performance of, a contract between you and the controller, is authorized by Union or Member State law to which the controller is subject and which also lays down suitable measures to safeguard your rights and freedoms and legitimate interests, or is based on your explicit consent.

However, these decisions may not be based on special categories of personal data pursuant to Art. 9 para. 1 GDPR, unless Art. 9 para. 2 lit. a) or g) GDPR applies and appropriate measures have been taken to protect the rights and freedoms as well as your legitimate interests.

Complaint to a supervisory authority:

In accordance with Art. 77 GDPR, you have the right to lodge a complaint with a supervisory authority. As a rule, you can contact the supervisory authority of your usual place of residence or workplace or our company headquarters.

11. STATUS OF DATA PROTECTION NOTES

The constant development of the Internet makes it necessary to adapt our privacy policy from time to time. We reserve the right to make corresponding changes at any time.
